Scholarship Confirmation

Dear Sergei,

We are very happy to inform you that you have been selected as a **recipient of a scholarship** for the study programme B.Sc. Computer Science, ECTS, Full Time, **at IU International University of Applied Sciences**.

This offer pertains to a scholarship of 83% which will reduce your tuition fees from 20190 euros to 3432 euros. The total worth of this scholarship is 16758 euros.

Once you have been **officially enrolled in your selected study programme at IU** and have **paid the first instalment** of your tuition, this scholarship offer will take effect. It will be added as an extension to your regular study contract.

Please note that this scholarship offer is valid only upon your official acceptance as a student at IU and only for your studies at our university. Not included in the scholarship is the graduation fee of €800. You can only apply for one IU scholarship per programme.

We look forward to enrolling you as a student and are certain that you will bring diversity, new ideas, and dedication to your studies at IU.

Due to the high demand for our limited scholarships, this scholarship offer will expire in 5 days.

If you have any questions regarding your application status or this scholarship offer, please contact your Student Advisor at IU.

About IU Scholarships

IU has developed its scholarship programme with the aim of making education accessible to students all over the world, especially in countries with a higher need for financial support. We are able to offer the support in this sizable manner only due to the support of our extensive network of partners worldwide who we would like to thank for their contribution.

We hope to see you on our online campus soon!

Sincerely,

Your IU team
